CARE MANAGER III

Open Positions: 27

Salary: \$35,568 (BS)

Job Description:

Care Managers provide individualized and medically necessary case management services on behalf of consumers and skills training directly to consumers. Case Management consists of services that help consumers gain access to needed medical, social, educational, and other services. This includes direct assistance in gaining access to services, coordination of care, oversight of the entire case, and linkage to appropriate services.

Qualifications:

- Bachelor's degree in Psychology, Social Work, or related field
- 4 yrs. of experience as a Care manager with children, youth, adolescents or family services
- Completion of Case Management training post college degree

CM I and CM II wages begin at 13.50 and 14.41 per hour. Please contact us for qualifications.

Benefits

Medical, Vision and Dental insurance, 401 K, Tuition Assistance

THERAPIST

Open Positions: 13

Starting Salary: \$42,640

Job Description:

Provide a wide range of clinical services to clients within limits of training and credentialing under supervision.

Qualifications:

- Master's degree in mental health field required.
- Advanced knowledge and skills in community-based mental health care.
- Demonstrate competence in assessment and treatment of chemically dependent clients, including obtaining and interpreting information in terms of the dependence.
- Knowledge of the natural history of dependence and the relevant biological and sociocultural factors.
- Good written and oral communication skills including interpersonal communication.
- Demonstrate competence in assessment of and treatment planning for children, adolescents and families.
- Understanding and knowledge of the range of treatment needed and appropriate utilization of available treatment resources.

Benefits

Medical, Vision and Dental insurance, 401 K, Tuition Assistance

MENTAL HEALTH TECH

Open Positions: 8

Hourly Wage: \$12.50

Job Description:

Interact with, educate, and supervise adults with mental illness, individually or in a group setting, providing a therapeutic environment within the 24 hour services division.

Qualifications:

- High School diploma or equivalents such as:
 - 12 months of full time paid or voluntary behavior health and/or caregiving experience
 - 24 months of part-time paid or voluntary behavior health and/or caregiving experience.
- Flexibility to work any shift
- Oral and written communication skills
- Knowledge and skills in educating clients in daily living skills
- Observation and decision making skills
- Experience in implementing group activities helpful
- Willingness to use personal transportation in work capacity
- Knowledge of substance abuse/addiction issues or related work experience would be beneficial
